

Product Name :
Biology Lab Carrot Cloning Kit

Product Code :
NLAB-EDUSCHOOLEQ13003

Description :

Biology Lab Carrot Cloning Kit

Technical Specification :

The callus cells can be examined, along with development stages of the whole plant from the embryoid.

This kit demonstrates callus tissue production from root cells, and the regeneration of whole cloned carrot plants from the callus.

Sufficient for up to 30 students or groups.
