Product Name:

Block Making Machines Hydraulic

Product Code:

NLAB-MECHANICALAB260018

Description:

Block Making Machines Hydraulic

Technical Specification:

We have been able to hold all the aces in designing and developing the best Hydraulic Block Making Machine. Our engineers develop these machines using high-grade basic material and electrical components so as to bring forth high performing and user-friendly products. They understand and value divergent demands of the clients, and develop products in different technical specifications.

Features:

High compressive strength

Non-corrosive body

Longer functional life

Low power consumption

Excellent finish

Semi-Automatic, Manual & Automatic
