| Coaxial Trinocular Microscope                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                  |
| <b>Technical Specification :</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                  |
| <p>Illumination: Fitted with built in base halogen light source, fitted with 6 v-20 W Halogen bulbs, On / Off Switch and light intensity regulator, complete with power cord and plug. Also a set of plano-concave reflector provided for day light use.</p> <p>Sub Stage: Abbe N.A.1.25 condenser, focusable with rack and pinion through 25 mm continuously visible iris diaphragm with built in swing out filter holder.</p> <p>Head: Inclined Trinocular head</p> <p>Body: Inclined Binocular Body, Rotatable through 360o</p> <p>Focusing: Single Co-axial knob provided based on a four step gear reduction system for coarse and fine focusing for silk smooth operation.</p> <p>Mechanical Stage : Large stable base (120x 125mm) fitted with co-axial precision graduated mechanical stage for X and Y movement of slide upto 50mm x 75mm</p> |                                                  |
