

Product Name :
Cylinder Block With Wet Liners

Product Code :
NLAB-ENGINEERINGLB37004

Description :

Cylinder Block With Wet Liners

Technical Specification :

Cylinder Block With Wet Liners Lab Equipments Manufacturer, Suppliers & Exporters

Description:

A wetliner cylinder block features cylinder walls that are entirely removable, which fit into the block by means of special gaskets. They are referred to as wet liners because their outer sides come in direct contact with the engine's coolant.
