

Product Name : Dual Magnifier	Product Code : NLAB-EDUSCHOOLEQ173081
Description :	
Dual Magnifier	
Technical Specification :	
The Dual Lens Magnifier is a must for your classroom science corner, or have it at the ready so kids can examine various critters, rocks, feathers, and plants during their next field trip. The 5X lens with 2-1/8 in. dia. viewing area works well for basic magnification, while the 3/4 in. lens with 8X power is ideal for providing extra detail while remaining separate from the main lens. Features durable plastic body with two glass lenses. 6-1/4 in. L.
