

Product Name : Inverted Microscope	Product Code : NLAB-EDUSCHOOLEQ1730102
Description :	
Inverted Microscope	
Technical Specification :	
Precise fine focus controls move in 0.002 mm scale value increments. Phase Contrast models include a Centering Telescope. The microscope comes with phase contrast objectives & condenser, 35mm and 65mm culture dish holders, and a trinocular photo port which allows the user to capture images with an add-on camera. Featuring Binocular or Trinocular heads and Long Working Distance (LWD) objectives in your choice of Plan Achromat or Plan Phase Contrast. The over-sized stage offers precise and smooth ball-bearing movement, for clear, steady viewing while scanning the field of view.
