

Product Name : Microdot Kit	Product Code : NLAB-EDUSCHOOLEQ173018
Description :	
Microdot Kit	
Technical Specification :	
It consists of a number of images and scales reproduced on fine grain film which must be searched for and recorded. This kit is designed to help students improve their skills and confidence in using microscopes, before moving on to mounted specimens/thin sections or live organisms. Emphasis is placed on correct setting up of the microscope and appreciation of the magnification obtained.
