

Product Name :
Naugra Lab Infra Red Moisture Balance

Product Code :
NLAB-LABORATORYEM51004

Description :

Naugra Lab Infra Red Moisture Balance

Technical Specification :

Infra Red
Moisture Balance

A basic method for determination of moisture content, measure moisture percentage by weight and drying simultaneously.

Infra Red radiations are reflected by a bulb and its temperature is controlled by a regulator.

The balance scale is divided in terms of moisture content on net weight basis.
