

Product Name :
Nauga Seismograph Model

Product Code :
NLAB-MLOGYLAB290001

Description :

Nauga Seismograph Model

Technical Specification :

Our newly revised Seismograph model gives students a better understanding of how earthquakes are measured and calculated to intensity. This small table top unit will captivate your students as they try to top the Richter scale. Simulate your own earthquakes and the seismograph will accurately record their intensity. The kit comes complete with a detailed Teacher's Guide.
