

Product Name :
Protecting Glasses for Narrower Faces

Product Code :
NLAB-EDUSCHOOLEQ205006

Description :

Protecting Glasses for Narrower Faces

Technical Specification :

Extremely lightweight and modern safety spectacle, specially designed to fit narrower faces, with outstanding field of vision and exceptional adaptability.

Benefits

The softness of the temples ensures a pressure-free fit.

The temple length can be individually set in 5 different positions with integrated stop lock.

The temple inclination can be finely adjusted. That means these spectacles are capable of providing an individual fit on any head.

Lens and frame are made from extremely impact-resistant plastic

The lens is extremely scratch resistant and has exceptional resistance to chemicals

It also provides 100% UV protection

Colour of the frame: blue

Lens: clear
