

Product Name :
School Lab Card Board Geometry

Product Code :
NLAB-EDUSCHOOLEQ11010

Description :

School Lab Card Board Geometry

Technical Specification :

Include hands-on-learning in your next maths lesson with this colourful geometry kit.

Use them together to get best results.

Learners can work in groups or alone to explore geometry and trigonometry concepts.

The kit includes an instruction booklet.

The learner set is an exact but smaller replica of the teacher magnetic geometry set.
