

Product Name :
School Lab Slinky Spring Bucket

Product Code :
NLAB-EDUSCHOOLEQ11052

Description :

School Lab Slinky Spring Bucket

Technical Specification :

The slinky spring bucket includes an activity booklet with 4 Science activity ideas to demonstrate.

Tempered steel wire.

Some themes are repeated but with increasing complexity for older learners.

Each of the activities demonstrates a different theme within the CAPS curriculum.

75mm.

Using the simple and inexpensive slinky spring, educators can bring science to life by creating realistic laser sounds, creating waves and even walking a slinky downstairs to teach momentum and potential energy.

Waveform helix.

Includes bucket, stickers and activity booklet.
