

Product Name :
Student Stereo Microscope

Product Code :
NLAB-EDUSCHOOLEQ1730153

Description :

Student Stereo Microscope

Technical Specification :

The microscope head is rotatable through 360 degrees for flexible viewing positions while it can also rotate around the pole in order to view specimens that do not fit on the stage.

The microscope also includes rubber eyeguards for improved viewing, adjustable interpupillary distance of 55-77mm and a right eyepiece diopter to allow for individual eye focusing.

Simply twist the objective housing until it stops on either objective.

A diopter on the eyepiece also allows for individual eye focusing.

Easy-to-use.

There are two Wide Field WF10x eyepieces that combine with achromatic, coated 2x/4x objectives for magnification powers of 20x and 40x.
