

Product Name :
Triple Beam Balance With Vernier

Product Code :
NLAB-LBEMALAB230036

Description :

Triple Beam Balance With Vernier

Technical Specification :

This Balance is a favorite in classrooms and industries worldwide. The balance offers high precision and remarkable value.

The three-point base, special floating bearing principle and beam design eliminates the need for level adjustment. Zeroing is quickly achieved by means of a zero adjust knob at the end of the beam. With aluminum pressure castings for the base and beam

assembly, agate bearings, steel knife-edges, and stainless steel pan, everything about the balance ensures a high standard of quality.
